

An inclusion project for

Asylum seekers, refugees, and people under international protection to foster their integration in Milan through the sports, the strengthening of Italian language skills, and the activation of job placement opportunities.

Increase the awareness in schools and local businesses on the topics of inclusion and multiculturalism.

Involve volunteers in promoting inclusive sports activities.

Promote exchanges with other associations at the European level to share best practices and effective methods for the integration of migrants.

To participate or get more information about the project

send a message to

united@playmore.it

call

+39 388.888.18.36

or drop by to meet us at the PlayMore!
Via della Moscova 26 in Milan.

We promote the meeting between refugee people and the Milanese community through sports, training and work as an opportunity for all to build a city where we can feel better together.
